## SAFE TRAVEL FOR KIDS!!™

For two decades, the Greater Cincinnati Automobile Dealers Association (GCADA) and its members have hosted the annual **REV IT UP!! Sneak Peek VIP Party** at the Cincinnati Auto Expo. The proceeds from this event benefit the Cincinnati Children's Hospital Child Passenger Safety Program. Every year Cincinnati Children's provides over 700 car seats and booster seats to families in need.

GCADA continues to partner with Cincinnati Children's and Evenflo, Inc. each September to promote Child Passenger Safety Month.

Together, we reach out to families, physicians, caregivers and emergency responders in the community; sending posters and flyers which promote the importance of safe travel for our youngest passengers.

In addition to these efforts, the organizations make appearances and film public service announcements to further promote awareness regarding Child Passenger Safety.
