**In just 10 minutes a car's interior temperature can rise almost 20 degrees**

**More than 900 kids have died of pediatric vehicular heatstroke since 1998**

**Almost one-quarter of child heatstroke deaths in vehicles occurred at a place of work.**

**Heads Up PEDESTRIANS  
Avoid Distractions**

**Parking Lots + Pedestrians + Vehicles  
= DEADLY COMBINATION**

**Never** leave a child or pet alone in a vehicle! (Not even on cloudy days!)
